Chesapeake reduce costs with Workforce Management from WorkPlace Systems

Milton Keynes, 21st February 2008 - Chesapeake Branded Packaging Newcastle is to implement Demand Led Rostering to improve efficiency and reduce administration costs with a Workforce Management solution from WorkPlace Systems, the leading supplier of Workforce Management solutions.

About Chesapeake Branded Packaging Newcastle

Some of the world's best-known consumer brands for alcoholic drinks, confectioneries, food and tobacco rely on Chesapeake Branded Packaging for innovative packaging solutions to differentiate and promote their brands. We produce a full range of folding cartons, rigid boxes, composite tubes, self-adhesive labels and wet-applied labels for many premier consumer brands.

When shelf appeal and strong brand image are important, customers look to Chesapeake for award-winning graphic and package design, the latest technology and extensive experience.

We operate from 11 locations in the U.K., Germany and Spain. These Chesapeake sites are accredited to ISO9000 and operate to common quality standards and systems. Our facilities feature full digital integration, which enables us to offer products and services on a pan-European basis.
