WorkPlace Systems International plc ("WorkPlace")

Contract Win

Following a pilot in Norway, WorkPlace announces that it has won a significant order from global fashion retailer H&M (Hennes and Mauritz AB). The order, which has a value in excess of €2m, covers both software and services to support the deployment of WorkPlace's Workforce Management suite in five further countries for H&M, including Sweden and the UK, during the next 12 months. This order reinforces the value of Workforce Management and WorkPlace's capacity and ability to meet the needs of large multinational retailers.
