TRAVELEX INVESTS IN WORKFORCE MANAGEMENT SOLUTION FROM WORKPLACE SYSTEMS

Retail Solutions, Birmingham – 6th June, 2006 - WorkPlace Systems plc, the leading supplier of Workforce Management solutions is pleased to announce that it has secured a new contract to supply its WorkPlace software, labour standards and consultancy to Travelex Group's UK operations.

Travelex has evolved from being an innovative bureau de change operator into a dynamic, pioneering and diversified worldwide money business. Its wide variety of consumer and business services, together with its rapid growth and unique entrepreneurial culture, have provided the platform for the emergence of Travelex today as the world-leading company in its field. Headquartered in London, the Group operates in 35 countries and employs over 6,200 people worldwide.

To support corporate growth objectives, Travelex was looking to better match its staff and resources with demand to increase revenues as well as managing costs more effectively. WorkPlace Systems was chosen for its ability to quickly design and implement idealized staffing schedules to meet demand to improve customer service whilst controlling staff costs. The implementation initially starts in Travelex's 140 UK sites located in major Airports and Ports. Once the strategic side of scheduling has been implemented, Travelex plan to improve the

operational side of their staff management using other modules of WorkPlace's solution. "WorkPlace Systems were able to demonstrate real benefits in a very short time, delivering an immediate impact on our business". stated Paul Swainson, Travelex's UK Retail Director.

Ian Lenagan, Chairman and CEO of WorkPlace commented "We are delighted to have been chosen by Travelex to manage and improve their staff operations. Our product and services have been developed to give dynamic companies such as Travelex an immediate competitive edge in large scale and challenging Workforce Management applications."
